

**Beta.**

# Let's get into it!

Beta has many flaws, and you're here to weed them out. The only way to do this is for Beta's testers (**that's you**) to get on the server and test out what we have so far.

# But how?

You can start off with looking through **#beta-info** on the Discord or looking through the following links and snazzy sites. Check our features for any errors or usability issues. *Something confuses you? Tell us!*
